This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Sample Site Plan - Drawn to Scale

The following sample drawing shows the minimum detail expected so the permit process can proceed smoothly. Plans do not need to be professionally drawn but should be drawn to scale and include all of the information requested. ****If there are wetlands and/or a bluff on the property they must also be shown and setback measurements included.****
