**CITY OF LA PRAIRIE
WATER HYDRANT FLUSH**

The City water hydrants will be flushed **Monday, August 21st starting at 6:00 pm.**

Some customers may notice colored water ranging from red to black. If colored water appears, run your cold water until your service line clears itself. If colored water problems persist, please contact the City office at 326-8898.

The flushing is necessary for proper maintenance of our distribution system and we apologize for any inconvenience. Thank you for your cooperation.
